## **Methods of Payment**

### **[Method A (preferable)] Credit cards**

Visa, Master Card, American Express or JCB are accepted. Please inform us of your credit card name, its number and expiration year/month. For security reasons, please send your CR information by splitting it into a few separate e-mails to ([aco20320@par.odn.ne.jp](mailto:aco20320@par.odn.ne.jp)) or by FAX 81 (Japan)-49-241-2442 (international) or 049-241-2442 (in Japan) for Secretariat of the Fishery-Aquatic GIS Research Group.

### **Important notes:**

- (1) Those who have already informed us your CR information in the past, you don't need to send again except if you have new information such as new expiration date and/or new CR numbers etc.
- (2) As Agencies of these credit card companies are based in Japan, they will use Japanese currency for the settlements. This means that you might pay less than in the price list or vice versa depending upon the exchange rates between two dates, i.e., the date when the credit card Agencies pay (settle) with the Fishery-Aquatic GIS Research Group and the later date when these Agencies charge (settle) with the payees(you).
